SITUATION

10 Constable Close is situated on the north-eastern outskirts of the town, close to open countryside. The town offers an excellent range of shopping, recreational and educational facilities, as well as a mainline rail link to Exeter and London Waterloo.

DESCRIPTION

10 Constable Close is an extended three-bedroom detached house, constructed with brick elevations under a tiled roof, featuring a flat-roofed garage and side extension. The property benefits from uPVC double-glazed windows and doors throughout, together with gas-fired central heating.

Presented in excellent decorative order, the accommodation includes a welcoming hallway, a comfortable sitting room, and a superb kitchen/breakfast room forming the heart of the home, complete with integrated appliances and French doors to the rear garden. Adjoining the kitchen is a bright and spacious family/dining room with patio doors to the garden and an adjoining rear lobby. Upstairs are three bedrooms—one currently used as a craft room/study—along with a modern shower room. Outside, there is a block-paved driveway leading to the garage, and to the rear a fully enclosed garden with attractive metal fencing.

ACCOMMODATION

A covered entrance porch with uPVC door opens into the entrance hall, with stairs rising to the first floor and thermostatic controls for the central heating. The living room features a bay window to the front and an attractive marble fireplace with wooden surround and inset remote-controlled electric fire. A useful under-stairs cupboard provides storage. The kitchen/breakfast room is comprehensively fitted and includes a 1¼ bowl Belfast sink with mixer tap, adjoining worktops, and a range of floor and wall-mounted cupboards with concealed lighting. Integrated appliances include a gas hob with stainless steel hood, fan-assisted double oven and grill, fridge, and washing machine. A concealed EVO gas-fired boiler, tiled flooring, and glazed French doors opening to the garden complete this space. A doorway leads to the family/dining room, which enjoys a dual aspect with patio doors to the garden, three wall lights, and a built-in bookcase. A door leads to the inner lobby with coat hooks, space for an American-style fridge/freezer, a side door, and further access to the garage.

Upstairs, the landing features a window to the side, airing cupboard with factory-lagged cylinder and slatted shelving, and trap access to the part-boarded and lit roof space. Bedroom One: Window to rear and built-in mirror-fronted wardrobes. Bedroom Two: Window to front and fitted wardrobes. Bedroom Three: Currently used as a craft room/office with fitted shelving and window to front. Shower Room: Large walk-in shower, vanity unit with inset wash basin and illuminated mirror above, low-level WC, and heated towel rail.

OUTSIDE

The property is approached via a block-paved driveway with matching path leading to the garage, which has an up-and-over door, power and light, extensive shelving, and useful mezzanine storage.

The front garden is mainly laid to lawn with a selection of palm trees. A gated side path with external lighting leads to the rear garden, which is fully enclosed by attractive metal fencing. It features a paved patio, small lawn, two garden sheds, and an external cold-water tap. On the far side of the property is a bin storage area with an electric socket.
