Constructed approximately 20 years ago but having in more recent years been the subject of considerable extension, and further improvement by the current owners, this imposing family home offers considerably more than at first meets the eye and provides versatile accommodation which briefly comprises: a generous Dining Kitchen, Sitting Room, Conservatory with new solid roof, Utility and Cloakroom to the ground floor, three first floor Double Bedrooms and house Bathroom, with the Master Bedroom, large En-suite, Dressing Room and Bedroom 5 on the second floor.

Served by gas fired central heating and uPVC double glazing, the property stands entirely on the level on a very popular residential cul-de-sac with views towards Sutton Clough, being handily placed for easy access to a wide range of facilities and amenities in the village and nearby Cross Hills, including an excellent variety of schools with particular reference to the highly acclaimed South Craven Secondary school.

Despite the significant extension the outside space has not been compromised, still having a parking space beneath the house and having a good sized rear garden which is safe and secure and ideal for a family with young children and pets, along with the addition of a bespoke Garden Office having power, light and internet connection.
