8 Ropner Gardens, Middleton St. George, Darlington, County Durham, DL2 1FB

A luxurious, first floor TWO BEDROOM apartment which is the very epitome of style and elegance. Boasting great character with high ceilings, deep coving and large windows. Situated in a converted period property and situated in the heart of the village of Middleton St George.

Ropner Gardens is an apartment block of eight properties, which share the freehold and the large communal gardens. The location is peaceful and ideal for a host of buyers wanting spacious accommodation and something a bit special.

From entering the reception hallway, you will feel that you have arrived, the monochrome flooring makes a striking statement, and the area is spacious with a balustrade staircase leading up to the first floor apartment.

The property is fully double glazed with the windows in keeping with the original character of the building and warmed by gas central heating. Immaculately presented and tastefully decorated throughout, the property is in ready to move into order.

The open plan living area allows for generous seating and dining areas and leads through to the a quality fitted kitchen with appliances. In addition there are two double bedrooms, the master bedroom having ensuite facilities and there is a further family bathroom/wc.

Externally the property sits in extensive walled, communal gardens which have an abundance of established trees. Two allocated parking spaces belong to the property, one to the rear and one to the front.

Middleton St George is very convenient for the transport links to both Darlington and Teesside, via road and the railway station at Dinsdale. Local independent shops, restaurants and pubs are on hand within the village and plenty of lovely country walks.

The village also has the advantage of having the Durham Tees Valley Airport close by.

RECEPTION HALLWAY

being self contained, the entrance door opens immediately into the reception hallway of the property, which feels quite grand, with a striking monochrome floor making and a sweeping staircase to the landing area of the apartment.

LANDING

Generous enough to allow for a small desk or reading area. The landing accesses all of the accommodation and has a large window to the side which allows for a great deal of natural light. A built in cupboard houses the central heating boiler.

LOUNGE & DINING

31'07" x 19'01" (9.63m x 5.82m)

Space to spare within the well proportioned living area. Having cleverly designated seating and dining areas. There are three UPVC windows to the room, overlooking the gardens to the front and taking in the treetops and cherry blossom.

The open plan room has a step up to the lounge/seating area which has a feature fire surround as a focal point with gas living flame fire to cast a cosy glow when required. The dining area sits just in front of the access to the kitchen, and is quite spacious, easily accommodating a family dining table. There is a fixed bookcase and display shelving.

KITCHEN

The stunning kitchen has been well planned and offers and ample range of wall, floor and drawer cabinets which are complimented perfectly with an attractive granite worksurface and undermount sink. A host of integrated appliances include an electric oven and gas hob, dishwasher, fridge/freezer and washer/dryer.

There is a breakfast bar area that offers an informal dining option, and the room has been finished with ceramic tiled splashbacks and Karndean flooring. Down lighting to the cabinets add ambience and there is a UPVC window to the side aspect making the space light and bright.
