Description

Stunning Refurbished Flint-Fronted Home in Central Upper Beeding.
A beautifully updated end-of-terrace house, originally built in the 1880s with a striking flint frontage and pitched tile roof. Extensively refurbished in recent months, this two-bedroom home blends period charm with contemporary style. Inside, the layout has been thoughtfully redesigned to create a light-filled and inviting space. The spacious living room flows into a dining area with a tiled floor, wood-burning stove, and deep understairs storage. A step up leads to a bespoke kitchen featuring shaker-style units, white granite worktops, integrated appliances, a range-style cooker and a central island with breakfast bar—perfect for entertaining.

Upstairs, there are two generous double bedrooms, including a particularly large principal room with twin front-facing windows. The luxurious shower room is finished with elegant tiling and a low-sill, double-length shower tray. The property has been replastered and redecorated throughout, with new heating, internal doors, and flooring—ready for immediate enjoyment.

To the rear, the garden has been landscaped in a traditional Japanese style, offering a tranquil, low-maintenance retreat with ambient lighting and rear access. No forward chain.
