Lyme Regis is famed for its many historic connections and character buildings, and of course, for its well known Cobb Harbour. As a resort, it is considered quite unspoilt, but has most of the shops and amenities that one could require. In addition to which there are numerous leisure activities including both sailing and power boat clubs, the Marine Theatre, a cliff top golf course and a bowling club. The town is situated on the beautiful 95 mile stretch of the Dorset and East Devon coast, known as the Jurassic Coast, which was designated a World Heritage Site in December 2001. Lyme Regis lies approximately 5 miles from the market town of Axminster, with its main line railway connections to Waterloo (Approx. 2 ¾ hours). Taunton and Exeter are within a radius of about 30 miles with access to the M5 motorway and the county town of Dorchester is a similar distance. Locally there are primary schools in Lyme Regis and Uplyme along with the well respected Woodroffe and Colyton Grammar Schools.
