Please form an orderly queue for this 'once in a lifetime' chance to write a new chapter in the life of this period gem, on one of the area's most coveted addresses. Built in 1921 and remaining in the same family since 1938, these imposing homes showcase some of the finest late Edwardian architectural styles with the opulence of the buildings evident at every turn and no end to the extent of their future potential. Falling within the King Edward's and Greysbrooke catchment areas, number 18 is dripping with original features such as the Minton tiled hallway, original doors, ceiling plaster work and a range of attractive fireplaces. The grand nature of the hallway and landing gives a striking first impression with enticing glimpses of the impressive accommodation lying in wait. Extending to over 1,648 square feet the current accommodation comprises: a ground floor including an open porch entrance, impressive reception hallway with Minton tiled floor, living room, drawing / dining room with access to the rear garden, scullery with original range and pantry and a kitchen. The first floor is equally impressive with an elegant gallery landing, four double bedrooms and a bathroom.
