A rare opportunity to acquire a semi detached family home occupying a substantial corner plot, in a quiet cul-de-sac position, boasting one of the largest gardens within this popular residential address. Offered for sale with no onward chain and falling within the Whittington Primary and King Edward's catchment areas, this freehold property is thoughtfully laid out to offer flexible family accommodation and offers enormous future potential to create a sumptuous 'forever home', with possible side and rear extensions subject to relevant planning consents. The current accommodation is well presented throughout and the ground floor comprises: porch entrance, hallway, living room and dining room with bi-fold access to the rear garden, a stylish kitchen with shaker style units and a clever rear garage conversion now providing dedicated home work space and a guest cloakroom. The second floor boasts three bedrooms and a bathroom. The real treat lies outside with a substantial rear garden which is laid to lawn with patio seating areas and established borders, a secluded Japanese style Zen garden and double gated access to the rear, ideal for secure storage of a caravan or motorhome.
