A truly exceptional example of a barn conversion in the most idyllic rural setting imaginable, with the rare benefit of a substantial landscaped garden, double garage and impressive amounts of private parking. This select development of barn conversions and modern executive homes is located at the heart of the village and surrounded by beautiful countryside on all sides. The immaculately presented accommodation extends to over 2,500 sq.ft. and offers a wonderfully flexible layout over just two floors, with attractive vaulted ceilings, exposed brick and timber frames reminding you of the history and inherent charm of the building. An elegant entrance hallway and gallery landing provides a striking centre piece to this happy family home with a wide selection of usable spaces radiating from them. The ground floor offers a living room with log burner, formal dining room with vaulted ceiling, study or second sitting room, kitchen diner and snug. With the supporting cast members of a utility and guest cloakroom completing the package.

The first floor is equally impressive with a principal bedroom with vast amounts of fitted storage and a modern en suite shower room. Three further good size bedrooms (two with fitted wardrobes) and a luxury family bathroom.

WHY WE LOVE THIS HOUSE...

We love how deceptively spacious the barn is with large rooms catering for our every need as our children have grown up. It really is the perfect family home and we have loved entertaining our friends here. Both in the summer and the winter. We have enjoyed the large plot with landscaped gardens with many walking routes on doorstep. It is also still within easy reach of major routes and local towns. The perfect peaceful country escape.
