

NO. 6 | FRIARY GARDENS | LICHFIELD | STAFFORDSHIRE | WS13 6QU

NO. 6

FRIARY GARDENS | LICHFIELD | STAFFORDSHIRE | WS13 6QU

£1,200,000

A rare opportunity to acquire a thoroughly impressive family home on this select private development of just six dwellings, occupying an attractive 'parkland style' plot of some 0.46 acres in a secluded and wonderfully private setting, with Trunkfield Brook running along its eastern boundary. Real 'Wind In The Willows' stuff, with the hypnotic striking of Friary Clock Tower reminding you that you are only a 'skimmed pebble' away from Lichfield's vibrant City Centre. Offered for sale with no onward chain, the house itself extends to nearly 3,500 square feet of accommodation, including a self contained one bedroom apartment with separate access. The main house offers wonderfully flexible family accommodation over two floors with the ground floor boasting an opulent oak framed garden room opening to a formal dining room, a striking library specifically built to indulge the current owners passion which could easily be used as a formal drawing room. The bespoke library shelving continues in to the study which also lends itself to multiple uses.

A second living room gives access to the rear garden and a breakfast kitchen, utility room and guest cloakroom complete the extensive ground floor space. The first floor then provides five bedrooms and two bathrooms. In addition the annexe has private access to the rear, a living and dining space with kitchen, bedroom with fitted wardrobes and a shower room. Not to mention its own parking space. Those looking for an additional income will be interested to know it has been rented to the same occupant for ten years and offers great AirBnB potential.

If all of this was not enough we believe the parkland style of the garden is the real treat. Manicured lawns to the front and rear are interspersed with stylishly planted beds and borders and the melodic trickle of Trunkfield Brook transports you to a more rural setting. This exceptional package is then completed with an integral double garage and extensive driveway parking.
