A thoroughly impressive first floor apartment, with double height ceilings and pleasant views on all sides and the added benefit of an allocated parking space. Occupying an enviable position within this centrally located landmark 'later living' development completed by the renowned luxury developer, Pegasus, in 2016. Sharing the development with the historic Old Friary, this development of just 45 apartments occupies a prime central yet quiet location, perfectly situated for the convenience of town centre shopping and is only moments away from Beacon Park, the Cathedral and a short walk to many restaurants, cafes and bars. This first floor apartment is presented in a faultless contemporary 'open plan' style and the exacting standards of the Pegasus finish is evident at every turn. The accommodation comprises: entrance hallway with storage cupboards and clever laundry, a double aspect open plan living and dining room with Juliet balcony and fully integrated kitchen and loft space. A lobby style entrance leads to the principal bedroom which has fitted wardrobes, views over the central gardens and a stylish en suite shower room. The second bedroom also has fitted wardrobes and views over the central gardens and the luxury main bathroom is also finished in a tasteful modern style and has a large storage cupboard. Further benefits of Chapter House include: lift access to the upper floors, an on-site team of 'life hosts', boutique hotel style lounge with log burner and kitchenette with regular social events from bridge and garden parties to fish and chip Fridays, manicured gardens and patio and balcony seating areas, a charming orangery and storage facilities with access to Monks Walk. The gated private parking does come with an additional fee and a fully furnished guest apartment is available to book for a nominal fee when family come to visit.
