42 The Leasowe, Lichfield WS13 7HA £575,000

A superb opportunity to acquire a substantial detached family home, extending to nearly 1,500 sq.ft of accommodation and benefitting from a recent internal refurbishment and professional landscaping of the south facing rear garden. The generous plot occupies an enviable position within the road, backing on to Nether Beacon, within easy reach of Lichfield's city centre and only moments away from a range of local shops. The Japan inspired makeover has created a striking and flexible interior, arranged over two floors and flooded with natural light. The ground floor now comprises: a welcoming entrance hallway with oak staircase leading to the first floor, a utility room and modern guest cloakroom, kitchen and a magical open plan three sectioned contemporary space offering dining room, living room and a fun family room complete with home bar. The first floor is equally impressive with four good sized bedrooms, the principal bedroom also boasting a dressing area, and a modern bathroom with separate shower. The real treat though lies outside with a G-Scapes designed south facing rear garden, also with Japanese influences, including a spectacular Torii Gate, circular lawn, stylishly planted borders and extensive patio and decked seating areas. It also benefits from good levels of privacy.

Viewing is essential to appreciate the stylish nature and charm of this wonderful home and the size of the plot on which it sits.
