

10 Lady Walk, Packington
Whittington WS14 9HJ

Downes & Daughters
ESTATE AGENCY

10 Lady Walk, Packington Whittington WS14 9HJ £349,950

Downes & Daughters is delighted to offer for sale this striking, contemporary split level coach house, offered for sale with no onward chain and boasting 1,123 square feet of open plan living space, surrounded by the most delightful rural views over Staffordshire farmland and Hopwas Woods. Also coming with the rare benefit of a walled rear garden, allocated parking and a single garage with direct access to the garden. This select development of just twenty eight dwellings, with the historic Grade II Listed Packington Hall as its centre piece, has recently been completed with the long awaited first wave of 'resales' now coming to market. The hall itself is believed to have been built for Zachary Babington whose daughter Mary Babington married Theophilus Levett, town clerk of Lichfield. It was passed down through, successive family members including the Rev. Thomas Levett, vicar of Whittington and stayed in the family until 1938. It was then bought by Gills Cables who relocated there in 1940 when their factory in Birmingham was bombed and remained there until 2007. A bold and impressive scheme was then presented to local authorities to transform the site which had fallen in to disrepair. What we can now see is the product of years of dedication and latterly the exacting standards of the developer, intent on creating a peerless development in an area known for its natural beauty. Sitting betwixt Lichfield and Tamworth with the popular village of Whittington on its doorstep, the site also benefits from easily accessible transport links, with the M42 and A38 only moments away and train links to London, and a journey time of just over an hour, available at both Lichfield and Tamworth stations. The King Edward's catchment area will also prove popular.

Viewing is essential to appreciate the level of finish, levels of natural light and its enviable position within the development.
