Tom Parry & Co are delighted to offer for sale this traditional stone and slate end terrace cottage occupying a roadside position in the town centre.

The property has the benefit of an impressive Inglenook fireplace, gas fired central heating, and a charming tiered garden to the rear.

Several improvements have been made to this property to include a new slated roof and insulation, it has been re-wired and equipped with new plumbing. The current owner has had a new boiler installed, brand new double glazed windows to front and rear, along with a new ground floor structure. All internal walls have also been renewed.

This is an ongoing project and the remainder of the work is to be completed by the purchaser, however it also allows potential purchasers a blank canvas to complete the project to their own specification. Once finished, it has great potential to be a fantastic family home.

Viewing is recommended.
