## 2 Principal Place. Worship Street, London

### DESCRIPTION

Principal Tower boasts a stellar location overlooking the heart of the City of London, the top global financial centre, and Shoreditch, the trend-setting capital of the world. The rare opportunity to live at this sought-after CBD location means both the world's financial powerhouse of London Stock Exchange and high fashion brands at the Royal Exchange are all within a short walk away, as are five major transport hubs, making it convenient to access all corners of the capital with ease and speed.

Principal Tower offers the opportunity to own an architectural masterpiece, equivalent to a priceless piece of art, that will give constant pleasure and lasting value.

Stepping in from the impressive landscaped piazza, guests will be greeted by the friendly concierge stationed round the clock at the equally stunning over height lobby. Residents also benefit from amenities that include a lap pool, spa, a state-of-the-art gym, cinema, and a private lounge. There are subterranean bicycle storage facilities available and opportunities to acquire parking spaces.

Every apartment has been spatially configured in order to maximise the impact of the views beyond, with many of the open-plan living areas leading directly on to balconies. Herringbone oak floors, neutral walls and full-height windows provide the ideal canvas against which the city's ever-changing panorama can be enjoyed.

All interiors are designed by Foster + Partners' own in-house interiors practice in collaboration with LIV Interiors to seamlessly blend with the architecture. A cool palette, carefully considered detailing and the very best materials combine to create serenely elegant spaces. The spectacular views are an integral part of the apartments - epic vistas of an epic skyline.

While Principal Tower is a building of unquestionable architectural merit, it is from inside looking out that its true splendour is revealed. At 50-storeys high, it offers spectacular panoramic views over the dramatic London skyline

## ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
