## Weymouth Terrace

London, E2 8LD

£2,500 Per Calendar Month

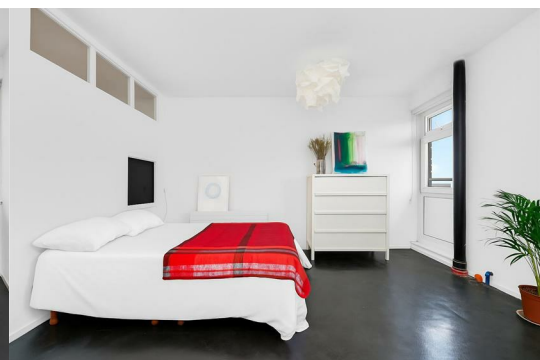

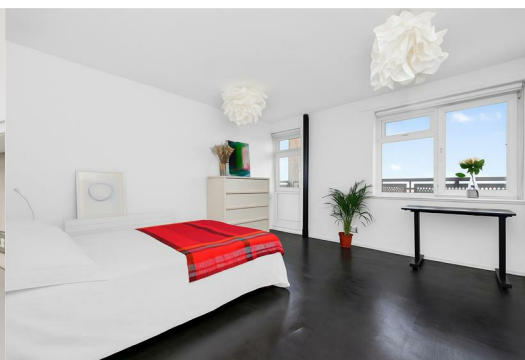

Set across the top two floors of the iconic Fellows Court, this beautifully presented two-bedroom maisonette offers elevated living (literally) with panoramic views across London and a strong dose of architectural cool.

Designed as part of a landmark 1960s LCC development, the property is a rare British nod to Le Corbusier's Unité d'Habitation principles—translation: light, space, flow, and serious style. Spanning approximately 831 sq ft, the apartment benefits from dual-aspect windows, excellent cross-ventilation, and striking exposed concrete feature walls in the kitchen and bathroom for a touch of industrial chic.

The bright open-plan lounge and kitchen is ideal for modern living—perfect for hosting friends or unwinding after a long day. There are two generous double bedrooms, both offering excellent storage potential, and a contemporary bathroom finished to a high standard.

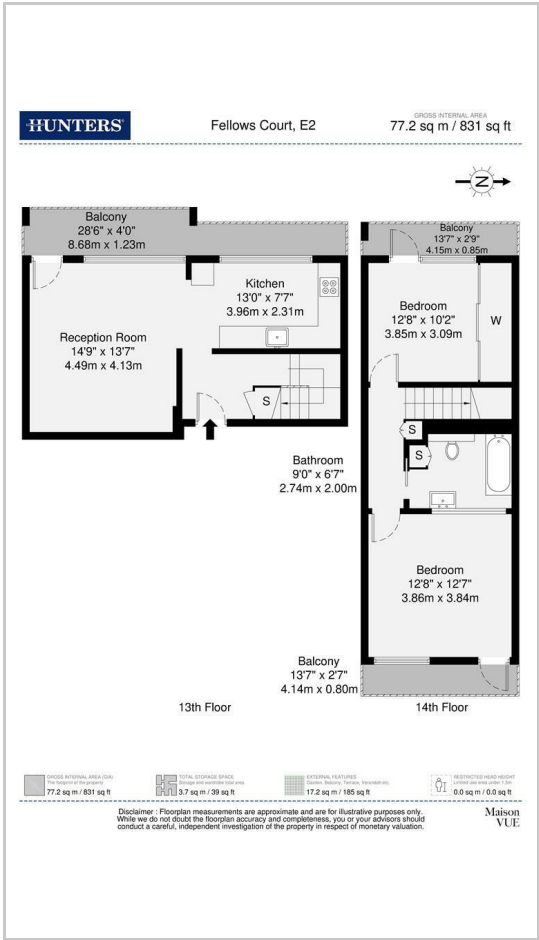

Step outside onto two west-facing balconies, where sunset views over the City skyline become part of your daily routine (no filter required).
