“ Guest Feedback: “My partner and I took both sets of our parents and our son away last week to Middle Bleansley (6 adults, 1 teenager). I am so so glad we chose to stay here; the scenery was beautiful, the property was perfect and had everything we needed and more. We loved all of the antiques in the house and the beds were incredibly comfortable. It was so nice to be away from everything and I would 100% come back again. There's not enough characters for how much I want to rave about this property!!”

Location

For those with a passion for the great outdoors, Middle Bleansley offers an unrivalled opportunity to fully immerse yourself in nature's splendour. This is more than just a property – it's a lifestyle choice. As you leave the M6 and head west, the journey itself becomes a scenic escape. Roads grow quieter, narrower, and more enchanting, winding through ever-more dramatic landscapes with the iconic Lakeland fells rising majestically on the horizon. This is a place where the pace of life slows and the natural surroundings have remained virtually untouched for centuries.

Perfectly positioned within the Lake District National Park, a designated UNESCO World Heritage Site, this idyllic rural retreat is far removed from the hustle and bustle of the popular tourist hotspots, it offers peace, privacy and the rare luxury of space and silence.

While wonderfully secluded, daily essentials are close at hand. A little further, Ulverston provides a broader range of amenities, including supermarkets such as Booths, M&S Food, and Aldi.

For a more secluded walk head into the hills and see all the way up the Duddon estuary and valley. If you fancy a closer pub the Blacksmiths Arms is just half an hours walk away.
