A chance to buy this surprisingly spacious 3 bedroom town house. Ideally situated close to the City Centre, local amenities and transport links to combat the lack of parking close by. Recently a private rental, there are areas for renovation throughout and opportunities for value adding, with the properties potential lending itself to the possibility of air B+B or conversion to HMO as well as continuing as a traditional home.

Entering the home through an entrance hall, on the the left hand side there is a well sized reception room with fire place and large window and further forward is the kitchen/diner which has access to the outside yard space and raised deck along with the cellar, which has plenty of potential for improvement.

The first floor hosts a sizable bathroom with separate shower and bath, a gally cupboard that houses the Worcester Bosch gas boiler and a bedroom/2nd reception room again with large windows and a fire place.

The second floor has 2 further double bedrooms.

This house will require some care and attention but has bags of potential for value adding.

The proximity to the city centre and public transport links mitigate the inconvenience of having no parking provision with the property
