DESCRIPTION

Halls are delighted with instructions to offer Ebenezer Chapel in Llanymynech.

Ebenezer Chapel presents a rare and exciting opportunity to acquire a detached chapel and adjoining schoolroom extending to approximately 2,676 sq ft (248.6 sq m). Set within the heart of the popular border village of Llanymynech, this unique property offers vast potential for a range of uses, subject to the necessary consents. With high ceilings, period architectural details, and flexible internal layouts, the chapel stands as a striking and characterful building, offering a unique canvas for its next chapter.

THE PROPERTY

The property comprises two principal interconnected structures: the chapel and an adjoining hall with raised stage, both retaining a wealth of character including original pews, vaulted ceilings, and arched windows. Ancillary space includes a kitchen area, under-stage storage (which includes a room with external access), a cellar, and a lower ground WC block.

The chapel’s layout is arranged to allow independent or combined usage of the spaces, providing extensive versatility for reconfiguration or restoration projects.

OUTSIDE

A gravelled area to the side provides off-street parking and access to a modest detached outbuilding, offering useful storage or potential for further use (subject to planning). The grounds are largely low-maintenance, with mature trees and foliage adding privacy and character. The setting enhances the chapel’s striking architectural presence, with arched windows, stone detailing and the original spire all visible from the approach.
