A superb opportunity has arisen to purchase a spacious end-of-terrace house in the highly sought-after Marlborough Road area of Banbury. Currently arranged as a House in Multiple Occupation (HMO) and fully occupied, the property is already generating a reliable income, making it an ideal acquisition for experienced or first-time HMO landlords. Spread impressively across five floors, the house offers nine bedrooms and four bathrooms, ensuring comfortable shared living. The property benefits from a ground-floor kitchen leading directly to the rear garden — a valuable feature for communal use and outdoor space. A second-floor kitchen adds additional convenience, providing flexibility for larger households or the option to split the accommodation to suit different arrangements. The interior is generous throughout, and whilst already well configured, there remains scope for further updates or reconfiguration to enhance yield potential.

The location is equally attractive. Marlborough Road enjoys a prime position close to Banbury town centre, with easy access to shops, cafes, supermarkets, and leisure amenities. Excellent transport links are within walking distance, including Banbury railway station, while the nearby M40 motorway ensures strong connectivity for commuting professionals. This mix of convenience and connectivity helps ensure consistently high tenant demand. Available exclusively to landlords, this property represents a fantastic turnkey investment. With the advantage of full occupancy and established income, it is particularly well suited to investors looking to expand their portfolio or secure a high-yield asset in one of Banbury's most reliable rental areas.
