Description

This spacious, semi-detached family home with a fabulous garden is situated in a highly desirable road close to some excellent schools.

Offered for sale for the first time in six decades, this property has been well cared for over the past years and now provides the new owner the opportunity to create their perfect family home.

With an internal space of just over 1,500 sq. ft the accommodation includes a wide hallway leading into the living room, a dining/family room, a kitchen/breakfast room, plus a shower room and a large storage area (previously the garage). Upstairs are three double bedrooms and a bathroom.

The 124' garden is a particular feature, mainly laid to lawn with mature trees and shrubs providing plenty of room for a growing family and to the front is off-street parking and side access.

The property requires some updating but offers huge scope to the next owner to re-model and extend (STPP).

Ormond Drive is located within easy access to Hampton Station with direct services to London Waterloo and the high street with a variety of shops and restaurants. Some of the area's finest schools both private and state. Hampton open air swimming pool, Hampton village, plus the open green spaces of Royal Bushy Park, the Longford River and The Woodland Gardens are all close by. With easy access to the M3/M25 motorways and Heathrow Airport.
