## Key Features

- Viewings accompanied by Chase Buchanan
- Finished to a high standard
- Option to reserve before completion
- Underfloor heating
- Opposite Royal Bushy park
- Off street parking

## Description

In conjunction with Citroen Property Group, we are pleased to bring to the market this family home that has been built to a high specification. Merging together suburban living with the convenience of local amenities, these newly built properties are situated perfectly for families looking to swap the hustle and bustle of daily lives for space and relaxation. It's the attention to detail that really elevates these properties. With security and privacy in mind, the property is protected with a fitted alarm, an iCloud security system and is hardwired with CAT 5/6 cabling for all your technological needs. As you enter the home, you will find you are immediately transported to a place of pure luxury. Starting with the warmth of underfloor heating across the whole of the ground floor, this property has a downstairs WC and a family reception room to the front, but it is the back of the house that is the star of this property. A 31ft kitchen/family room that looks out onto the large rear garden through floor to ceiling sliding glass doors, really brings the outside inside and is perfect for the warmer months when entertaining. Mindful touches such as a separate utility room and finishes such as quartz worktops and Shaker style units complete the downstairs. The first and second floors comprise 5 bedrooms, 2 with en-suites, a family bathroom and a shared shower room. The master bedroom is equipped with a bespoke walk in dressing room and luxury en-suite shower room. Outside, each property benefits from large west-facing rear gardens with modern landscape and off street parking at the front. Hampton is renowned for the quality of its schools, with a broad choice of 'good' or 'outstanding' OFSTED rated state schools for all age groups and a number of distinguished independents including Twickenham Preparatory, Lady Eleanor Holles for girls and Hampton School for boys.
