Description

This 1930s family house in a desirable location is close to some good schools, Whitton High Street, open parkland and is available chain-free.

Available for the first time in many years, this property has well-proportioned living spaces and provides the new owner the opportunity to create the perfect family home.

The accommodation includes a living room, dining room with kitchen, a conservatory and W.C on the ground floor, with two double bedrooms, a single bedroom and a shower room upstairs.

The secluded rear garden has a variety of mature trees and shrubs and plenty of room for a growing family plus there is a large garage with access from the side and rear.

The property requires some updating but offers huge scope to the next owner to re-model and extend (STPP).

Seaton Close is a quiet cul-de-sac within walking distance to Whitton Station, 0.4 miles and the high street, with a variety of shops and restaurants and some popular schools close by, including Chase Bridge Primary School and St Edmonds Catholic Primary School. Twickenham town centre is nearby and easy access to the A316 connecting to the M3/M25 and into central London and Heathrow Airport.
