Description

This elegant family home with a fabulous garden is located in one of the most sought after roads in Strawberry Hill. Over the years the house has been painstakingly and comprehensively redeveloped and refurbished and offers well-proportioned accommodation.

The ground floor provides an elegant reception room with a feature fireplace and a stunning kitchen/family room flooded with light through the pitched atrium and wide doors out to the garden. The first floor provides three bedrooms and a luxury four-piece bathroom and a further light and spacious bedroom with a smart en-suite shower room on the top floor.

The southerly facing garden is a particular feature at over 100 ft, mainly laid to lawn with an abundance of mature trees and shrubs, a veranda, a patio area and at the far end of the garden a pizza oven and terrace, providing a great spot to entertain. To the front is off-street parking for two cars and a large, double-length workshop.

The stylish interior has been carefully considered as an integral part of the overall design with a pleasing décor and high-specification fixtures & fittings. With bespoke kitchen cabinetry with quality built-in appliances, tiled flooring, underfloor heating and a cleverly designed cinema area in the family room. With plenty of storage throughout and an abundance of natural light, this home provides the perfect balance of flexible space and comfort.

Ideally located for all that Strawberry Hill and Twickenham have to offer, from the delightful Radnor Gardens on the river to the ambient restaurants and charming riverside pubs and walks. Commuter links are excellent with two stations providing direct services to London Waterloo and easy access to the M3/M25 motorways and Heathrow Airport. The surrounding area is well suited for family life with numerous recreational facilities and some excellent schools including, Waldegrave School, St James's R C Primary School and Twickenham Primary Academy, all rated 'outstanding' by Ofsted.
