A fantastic family home set in the heart of St Margarets village. This beautiful house has just been completely re-decorated with new carpets and a beautifully re-furbished kitchen. There is a welcoming double reception room with stripped wooden floors and two traditional fireplaces, leading through to the gorgeous kitchen/diner with French doors out to the partially lawned and decked rear garden. To the first floor you will find two bedrooms, the main family bathroom and the premier bedroom which features plenty of built in storage. The second floor bedroom boasts an en-suite shower room, and a built in bed. This great home is just a few minutes walk to the station, local shops, restaurants and coffee shops.
