Our Vendor Loves...

We love this house and would take it with us if we could. The south-west facing garden is bathed in sun and not overlooked, which is so rare for London. We're a stones throw from 2 brilliant stations to get anywhere in London quickly. There are also plenty of green spaces within walking distance, which mean lots of places to enjoy the outdoors. We particularly love the mix of Victorian character with a modern finish, including a new wood burner and upgraded kitchen.
