Asking Price £850,000

Property Summary

Propertyworld is pleased to offer this rare and simply stunning four-bedroom, two-bathroom 1920s house with a BESPOKE GARDEN OFFICE, gorgeous rear garden and amazing interior. Renovated from tip to toe by the current owners and invested with love and care, the house is a rare thing - striking and bold with modern materials, plus lots of colour, as well as warm and cosy with a homely safe feel.

Bourdon Road is a gorgeous and quiet residential road of similar properties and within the catchment for the OUTSTANDING Stewart Fleming Primary School. 'Anerley is a friendly area with lovely wide streets and great transport links: Birkbeck Station trams go direct to Wimbledon and East Croydon, with trains direct to London Bridge; Elmers End Station trains go direct to Waterloo and Charing Cross; and from Anerley Station you can catch a direct train to Highbury & Islington, Shoreditch High Street and West Croydon.

Seeing is believing, and a viewing of this stunning house is essential, but the basic details are: on the ground floor - from the street you are struck by the immaculate condition of the house and front garden, the bespoke wood & bins shed and the quietness of the road. On entering you can feel the high-spec vibe and see through the kitchen and bifold doors into the garden - creating an immediate connection between the internal and external - a deliberate design feature which reflects the thoughtful approach to the work. To the front, there is a cosy and comfortable lounge with bespoke shelving, bay window and attractive fireplace. To the rear is what we consider the centrepiece of the house - a stunning kitchen/diner with feature island, hand-painted units, integrated appliances and bifold doors - sensational. On the first floor there are three bedrooms (2 dbs, 1 sgl) - all flooded in light and beautifully presented - plus a gorgeous family bathroom. On the top floor there is a stunning double bedroom with an exquisite outlook, lots of storage and a wetroom.

Our Vendor Loves...

"We fell in love with the potential of this 1920s house and what it could be for us. It took us a couple of years of hard work, from design to completion, to create our perfect home... reflecting our personalities, our needs and our lifestyle. We think the house is beautiful, and we very much hope that the next people to call it home will love it as much as we do."
