Our Vendor Loves...

"We were first drawn to the unique layout and vaulted ceilings - allowing light to flood the lounge and kitchen throughout the day. It is a calm and serene flat, with the bedrooms being quiet and private towards the back of the house. The second bedroom has made for an excellent office and now as our young sons' bedroom.

Sitting between Dulwich, Crystal Palace, Sydenham and Forest Hill there is so much to discover - fantastic parks, forests, markets and high streets. There is a sense of community and our neighbours have been there to save the day on many occasions! The flat has served us so well for this stage of our lives and will certainly be missed."
