Our Vendor Loves...

"This flat was my first home and I knew I wanted it within a few minutes of walking through the door. The communal areas are always kept clean and tidy and I enjoyed having my own private car parking space. It is situated half way between Sydenham high street, where you'll find many pubs, restaurants and shops. At the other end of Lawrie Park Road you'll find Crystal Palace Park, which has a food market on Sundays and a nice cafe. In my opinion, it's one of the most beautiful parks in London. Sydenham station is also very well connected to other areas of London. I hope you'll enjoy living here as much as I did."
