Our Vendor Loves...

"I fell in love with this house as soon as I walked in the door. It was a good instinct because I have lived here happily for nearly 18 years. The original windows and fireplaces are features I particularly like. It's been a great family home with the rooms being put to many different uses over the years. I shall be sad to leave. The west facing garden is very peaceful and surrounded by trees. Homecroft Road is a friendly welcoming road with a diverse mix of people. Long time residents like me and many younger couples and families moving in. It's the perfect location, close to two train stations, buses and shops. I shall miss that very much as I hardly have to use my car. I hope whoever buys the house enjoys living here as much as me and my family have."
