In brief to the ground floor, there two front facing reception rooms, a large farmhouse kitchen/dining room, a store and utility room, old dairy and cloakroom. On the first floor there are six bedrooms and a large family bathroom. Situated around a concrete courtyard, there are a large number of traditional and more modern farm buildings, as well as a double garage and workshop. Three of the barns having planning permission for conversion (see full details below). A walled garden sits to the front of the farmhouse, whilst to the rear is an orchard. There are two large pasture paddocks and an area of woodland. From the rear there are some attractive views of the surrounding countryside. In total the land extends to around 10 acres.

From the front ENTRANCE HALL, doors open to a comfortable, front facing SITTING ROOM with feature inglenook fireplace and woodburning stove. An adjacent door opens to a STORE ROOM with a side aspect window and door to the front garden. There is also a secondary, front facing LIVING ROOM overlooking the garden, whilst the REAR HALL with feature brick floor, serves an OLD DAIRY, UTILITY ROOM and adjacent CLOAKROOM offering a WC and wash basin. The FARMHOUSE KITCHEN/DINING ROOM is well-proportioned and benefits from a range of units with sink and drainer and space for white goods. There is space for a large breakfast table with window to the rear, as well as a oil fired Rayburn for cooking or separate range style freestanding electric cooker. A door from here leads to the REAR PORCH with butler sink and oil fired central heating boiler.

The FIRST FLOOR LANDING serves SIX BEDROOMS, five of which are double bedrooms, with bedroom 5 being accessed from a separate staircase and in need of some updating. The PRINCIPAL BEDROOM has its own washbasin and the potential for an en suite bath or shower room, subject to the necessary consents.
