STEP INSIDE

As you enter this historic property through the impressive original front door, you are greeted by the main reception room, a vast L-shaped space artfully divided into three distinct areas: a lounge, dining area, and fitted kitchen.

This dual-aspect room, originally the main banking hall, holds a great deal of history spanning its 100 plus years as a bank.

The large lounge area features a stunning fireplace with inset wood burner, creating a main focal point.

The kitchen is fitted with sleek, dark slate-coloured units and matching countertops, and high spec appliances, giving a contemporary feel to the space. The original entrance flooring, a remnant of the building's banking days, is enhanced by impressive tiles throughout the ground floor which benefits from underfloor heating - a perfect blend of the old and new.

From the kitchen, a rear hallway leads to a handy pantry with shelving, a spacious utility room, and a ground floor cloakroom with ornate timber shelving.

Additional space to the ground floor includes an enclosed secondary living room with herringbone parquet timber flooring, providing a cosy atmosphere. A sunroom with a glazed roof and bi-folding doors opens to the rear garden.

Interestingly, the bank's original vault has been redesigned as a sunroom, boasting incredibly thick walls and there is still to this day an original safe door between this room and the kitchen, adding another slice of history.

Approximate Gross Internal Area 413 Sq M/4445 Sq Ft

Ascending to the first floor, you'll find three double bedrooms and a family shower room. The principal suite is dual-aspect, offering beautiful views over Twyn Square and Usk Castle.

This luxury suite includes fitted wardrobes and a hidden doorway leading to an en-suite bathroom, complete with a roll-top bath and separate walk-in shower, and vanity unit.

The second floor features three additional bedrooms and a family bathroom. This floor also includes a separate kitchen with space for a table and seating area, making it a versatile space.

The second floor can serve as additional accommodation for the main house or as a rental opportunity, as there are two independent entrances to this part of the house. This makes it perfect for multi-generational living or income potential.

This property seamlessly combines historic charm with modern convenience, offering versatile living spaces and a unique connection to its past. Twyn House is proudly positioned in Twyn Square, the centrepiece to the towns Usk in Bloom festivities, meaning the centre is even more beautiful when the flowers are blooming.

STEP OUTSIDE

To the front of the property, elegant wrought iron railings and a gate provide access to the main entrance. A wrought iron gate to the side offers additional access around the property, via a courtyard and patio. An extra timber gate opens out to the impressive rear garden, designed for low maintenance. This enclosed space features artificial turf and a paved patio, making it an ideal area for entertaining guests. A covered area with storage below serves as a convenient kitchenette for drinks and food preparation.

The patio seamlessly connects to the sunroom via bi-fold doors, blending indoor and outdoor living. Plenty of space for a vast array of potted plants which add additional colour. A spiral staircase offers a secondary entrance to the upper floors, enhancing accessibility. Additionally, gated double doors provide off-road parking for one vehicle on a brick-paved area.

This thoughtfully designed outdoor space combines practicality with style, perfect for social gatherings and everyday enjoyment.
