The kitchen is dual aspect and thoughtfully arranged, featuring tiled flooring and a good range of wall and base units that provide ample storage. Integrated appliances include a dishwasher. The range-style cooker, which is included in the sale, was bought and installed in early December 2025. A built-in pantry offers further practical storage and discreetly houses the gas central heating boiler. There is also sufficient room to accommodate a dining table and chairs, making this a sociable and functional family kitchen.

To the first floor, the accommodation continues to impress. There are three generous double bedrooms, along with a separate study, all enjoying a frontal aspect that provides pleasant outlooks and excellent natural light.

The principal bedroom benefits from a dual aspect, with views to the front and a side window overlooking the garden, and is further complemented by an en-suite shower room fitted with a shower, wash hand basin and WC.

# STEP OUTSIDE

Stepping outside, the property continues to impress with a range of practical and well-planned external features. To the side of the house is a gated driveway providing off-road parking for approximately three to four vehicles, which in turn leads to a detached double garage with twin up-and-over doors to the front. A wrought iron pedestrian gate from the driveway opens into a low-maintenance, courtyard-style front garden, enclosed by a low wall and offering an attractive approach to the property. A further pedestrian gate provides access through to the main garden.

The main garden is fully enclosed and laid predominantly to lawn, with mature hedging and established trees creating a good degree of privacy, colour and screening throughout the seasons. A pathway leads to the far end of the garden, where there is a pergola and seating area, ideal for outdoor relaxation. Beyond this is a large workshop, historically used to house a glider, offering excellent space with ample storage, light and power connected.

Directly at the back of the property accessed from a door from the kitchen, is a handy covered area, ideal for drying clothes on rainy days. With an open aspect to the main garden and door to the driveway, it serves as a convenient thoroughfare between the two.
