Location

In the middle ages, Axbridge was once an important wool producer, and in earlier times a river port. This was reflected in its early charters, allowing it to hold markets, fairs and become a royal borough. It even had it's own mint, with coins showing the Towns symbol the 'Lamb and Flag'.

The layout of the town has changed little over the centuries, a medieval town, expanding on a fortified Saxon burgh, and today visitors can wander the winding streets and soak up the wonderful history that remains.

Axbridge has a warm sense of community at its heart, and offers a wide range of events, clubs and activities. As well as two excellent pubs, a co-op store and post office, Axbridge square also boasts a wonderful monthly farmers market.

Axbridge is well located for commuting to local business centre of Wells, Cheddar, Weston-Super-Mare and Bristol, via the nearby M5 and A38 Bristol International Airport is a 20 minute drive away.
