About The Home

Making an immediate impact with its attractive double-fronted design and welcoming covered porch, The Lorimer is a 4-bedroom home that continues to impress as it unfolds. Thoughtful and modern features, such as two en suites, are complimented by traditional touches like the separate living room and integral garage, making The Lorimer a highly-desirable home for growing families and those with older children who would appreciate their own space.

Ground Floor Accommodation

The open-plan kitchen, dining and family area extends the full width of the home at the rear, and will effortlessly bring the household together to cook, dine and relax. Attractive, centrally-located French doors open onto the rear garden. The family area is versatile, and can be made cosy and inviting with the addition of a sofa or two, or alternatively, it could become a dedicated play space for younger family members to enjoy while you keep a close eye from the kitchen.

The separate utility room is accessed through the kitchen, making laundry days easier and helping to keep cleaning essentials well-organised and safely out of sight.

Situated at the front of the home is the formal living room, with a picture window that draws in plenty of light. The entrance hallway also gives access to the cloakroom and a convenient under-stairs storage cupboard, as well as the garage.

First Floor Accommodation

On the first floor, bedrooms 1 and 2 benefit from en suite shower rooms, while the third and fourth bedrooms share use of the family bathroom. Bedroom 4 would be perfect for use as a nursery or younger child's room, or as a home office, for buyers embracing the remote working lifestyle. The finishing touch to the upstairs is a storage cupboard on the landing, which is a welcome feature for keeping towels, bed linens and other household essentials within easy reach.

ABOUT BELLWAY HOMES - A REPUTATION YOU CAN RELY ON

Over 75 years of great homes and great service.

When it comes to buying your new home it is reassuring to know that you are dealing with one of the most successful companies in the country, with a reputation built on designing and creating fine houses and apartments nationwide backed up with one of the industry's best after-care services.

In 1946 John and Russell Bell, newly demobbed, joined their father John T. Bell in a small family owned house building business in Newcastle upon Tyne. From the very beginning John T. Bell & Sons, as the new company was called, were determined to break the mould. In the early 1950s Kenneth Bell joined his brothers in the company and new approaches to design layout and finishes were developed. In 1963 John T. Bell & Sons became part of the public corporate scene and the name Bellway evolved.

CONTINUING GROWTH

Today Bellway is one of Britain's largest house building companies and is continuing to grow throughout the country. Since its formation, Bellway has built and sold over 100,000 homes catering for first time buyers to more seasoned home buyers and their families. The Group's rapid growth has turned Bellway into a multi-million pound company, employing over 2,000 people directly and many more sub-contractors. From its original base in Newcastle upon Tyne the Group has expanded in to all regions of the country and is now poised for further growth.

Our homes are designed, built and marketed by local teams operating from regional offices managed and staffed by local people. This allows the company to stay close to its customers and take key decisions about design, build, materials, planning and marketing in response to local and not national demands. A simple point, but one which we believe distinguishes Bellway.

10 Years NHBC Warranty.
