Hempsted is a suburban village and part of Gloucester. Hempsted benefits from its own post office, a village hall, St Swithun's church and Hempsted Primary School. The Gordon League Rugby Club bought an area of land in 1932 and have been based in Hempsted since then. Gloucester Rowing Club is also based in Hempsted, on the Gloucester and Sharpness Canal. There is a historical landmark called 'Our Lady's Well' (also known as Saint Anne's Well) which is a holy well house. It was designated as a Grade I listed building in January 1955. On the back of the well is a stone sculpture showing Saint Anne standing between her daughter, the virgin Mary and an Angel. It provided water for livestock, was used as a baptistery and formerly was considered to have medicinal properties. In the past it has been a place for pilgrimage, with countless pilgrims being recorded as coming to the site to seek cures. This has now ceased and the well is now dry.
