Churchdown is a village in Gloucestershire located in a semi-rural environment; so close to Gloucester and Cheltenham but surrounded on three sides by open countryside. Churchdown borders Imjin Barracks and the district of Innsworth to the North West. The village is unusual in having two centres. The older (Brookfield or "village") centre is in Church Road near St Andrew's Church; the more modern centre is in St John's Avenue near St John's Church. A local landmark is Churchdown Hill (also known locally as Chosen Hill), which rises to 510 ft above sea level and has views across the Severn Vale and to the Cotswolds, Gloucester, Cheltenham, the Malvern Hills, and into Worcestershire. The village has two main rows of shops and two pubs - the Hare and Hounds near St John's, and the Old Elm near St Andrew's. There is also a Social Club and a Community Centre.
