All reasonable steps have been taken with the preparation of these particulars but complete accuracy cannot be guaranteed. If there is any point which is of particular importance to you, please obtain professional confirmation. Alternatively, where possible we will be pleased to check the information for you. These particulars do not constitute a contract or part of a contract. All measurements quoted are approximate. The fixtures, fittings and appliances have not been tested and therefore no guarantee can be given that they are in working order. Any drawings, sketches or plans are provided for illustrative purposes only and are not to scale. All photographs are reproduced for general information and it cannot be inferred that any items shown are included in the sale.

Figure 1: Comparison of the environmental impact of the UK and EU electricity generation.

The figure consists of two horizontal bar charts. The left chart shows the Environmental Impact (CO₂) Rating for the UK and EU, with the UK at 70 and the EU at 83. The right chart shows the Energy Efficiency Rating for the UK and EU, with the UK at 70 and the EU at 83. Both charts compare the UK and EU across five categories: Coal, Gas, Nuclear, Wind, and Solar. The UK is generally higher in the UK chart and lower in the EU chart compared to the EU.

Category	UK Rating	EU Rating
Coal	70	83
Gas	70	83
Nuclear	70	83
Wind	70	83
Solar	70	83

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
