

Room 1, 37 Greenfield Avenue, Shipley, West Yorkshire, BD18 2HW £370 Per Calendar Month

* Newly refurbished*

* All bills inc*

* Ultra Fast 350Mb Broadband*

* Close to train station *

OVERVIEW

We are offering this amazing, professional, high spec property to you. The house is situated in the Shipley which is very close to various local amenities. It is less than 10mins walk to Frizinghall train station and also very close to Shipley station, so no need to worry about parking, though free parking is provided on the street if you do need it.

The house has everything you would want from your own property. Your kitchen is brand new and gives you your own private space to store your food. We provide you with all your own crockery and cooking utensils to make your move much easier. Included for your convenience are a new cooker, large fridge freezer, microwave, a washing machine and tumble dryer - all you could need!

The room is brand new, refurbished to a very high standard. The double bed is complete with pocket sprung, high quality luxury mattress as well as pull out drawers for additional storage. Black out blinds, ensure you get a great nights sleep and the room has a new double wardrobe. The room is also complete with nice little details such as a laptop/home working desk and chair, USB bedside plug sockets for convenient modern living, as well as contemporary pendant light fittings.

Wifi is the ULTRA Fast 350Mb Vivid Virgin broadband. It does nOt get any faster!! If you stream boxsets, love movies and 4k or just need to work from home with a rock solid connection - we have you covered.

Next to the the kitchen diner, we have a large screen TV in the communal snug area. Perfect for relaxing after a busy day at work.

There are 2 large house bathrooms, fully tiled and beautifully finished. Between the bathrooms we have two showers and a full sized bath.

Bills? Don't worry we have that covered too, your monthly rent covers everything so all you need to do is budget for the one payment.
