Property

This delightful two bedroom property offers a perfect blend of comfort, independence, and community for those seeking a peaceful and secure living environment. Constructed by McCarthy and Stone (Developments) Ltd in 1994, the property is managed by an on-site Development Manager who oversees its general upkeep and smooth operation. In case of emergencies, each room is equipped with pull cords, and residents have personal pendants to raise an alarm, ensuring 24-hour emergency cover through the service provider, Appello, when the Development Manager is off-duty. Recently updated by the current owner, the 2nd-floor accommodation features a stylish modern kitchen, a well-appointed shower room, two spacious double bedrooms, and a light-filled reception room. The welcoming hallway includes two ample storage cupboards.

Outside

Masters Court offers numerous communal areas and grounds that enhance the living experience. Residents can enjoy a guest suite, a communal laundry, and a residents' lounge, providing the perfect setting to relax and participate in regular organized events with like-minded individuals. The building is about to undergo an internal refurbishment, which is fully funded and set to commence soon. Externally, there are well-maintained communal gardens and ample parking for both residents and guests. The property also features convenient lift access and step-free entry/exit from the front and rear of the building.

Location

Ideally positioned near the shops, restaurants, and coffee shops of Ruislip High Street, it is also just minutes away from a GP surgery, buses, and tube stations. It is a condition of sale that single residents be over 60, or if a couple, one must be over 60 and the other at least 55, making this retirement flat an exceptional opportunity for comfortable, safe, and independent living within a friendly community.
