64 Stanley Road, Halifax HX1 3QU

Situated in this extremely convenient and popular residential location, Swinton House provides deceptively spacious five bedroomed family accommodation. This traditional stone built residence briefly comprises an entrance hall, lounge, spacious dining kitchen, basement cellar, downstairs cloakroom, five bedrooms, two bathrooms, uPVC double glazing and gas central heating with a large yard to the rear. The property provides excellent access to the local amenities of King Cross as well as easy access to Halifax town centre and the trans-Pennine road and rail network linking the business centres of Manchester and Leeds. Very rarely does the opportunity arise to purchase such a spacious terraced residence in this convenient location and an early appointment to view is strongly recommended.
