14 Heath Gardens, Halifax HX3 0BD

Situated in one of Calderdale's premier residential locations, within the heart of Savile Park, lies this individually designed and built four-bedroom detached residence providing ideal family accommodation.

Although the property requires some modernising, which is reflected in the asking price, an internal inspection is absolutely essential to fully appreciate the spacious family accommodation provided.

The property briefly comprises: entrance hall, two reception rooms, conservatory, downstairs cloakroom, utility room, kitchen, four bedrooms (master with en-suite), large family bathroom, double glazing, gas central heating, double garage, and gardens.

Located within walking distance of excellent amenities in Skircoat Green and Savile Park, including outstanding schools, the property offers easy access to Halifax town centre and the Trans-Pennine road and rail network linking Manchester and Leeds. Very rarely does an opportunity arise to purchase a detached residence in this highly desirable residential location and as such an early viewing is strongly recommended to avoid disappointment.
