Modern 4 Bedroom Detached Family Home built by Bellway homes and completed in late 2020 being set on the edge of this small development on the Bath side of Corsham. The feeling of space starts with the wide and open hallway, with doors to the ground floor cloakroom plus separate storage cupboard, with hard wearing wood effect flooring which runs through into the kitchen breakfast room. The large living room is located at front of the property and is of generous size, with the large kitchen breakfast room running the full width of the house fitted with a range or shaker style units, and houses an integrated dishwasher, washer dryer and fridge/freezer , single eye level oven, gas hob and plenty of storage space. A large store cupboard is also perfect for the other kitchen cleaning essentials and the side door out to the driveway is perfect for access with muddy kids or dogs. Upstairs you have a large landing, there are 4 excellent bedrooms. 3 are good doubles and the 4th is a great sized single, perfect as a bedroom or study/hobby room. The main bedroom has room for fitted wardrobes and very large en suite shower room. The 2nd bedroom is a lovely guest room , again with built in wardrobes and the 3rd double also has a perfect space for wardrobes or chest of drawers. The family bathroom is also a good size with a shower fitted over the bath. Outside and everything is still larger than average, including the excellent south east facing garden laid neatly to lawn with a paved patio area. A side gate takes you out to the driveway and garage. A surprisingly spacious single garage with open eaves for light storage, light and power is complimented by the very long driveway, suitable for at least 3 cars. There are ample green spaces on the development, including a children's equipped play area in the centre of the development.
