We are delighted to have the opportunity to bring to the market this 3 bedroom end of terrace family home located at the end of this popular cul-de-sac and fronting onto a quiet green. With planning approved to extend to the side to create additional living space to the ground floor and a fourth bedroom with en suite. The property currently has an entrance porch providing useful storage space and a door to the main living room with dual aspect windows to the front and side, stairs to the first floor landing with an under stairs cupboard and a door to the kitchen dining room. The kitchen dining room itself has fitted base units with a built in cooker and hob and is open plan to the conservatory which in part has a dwarf wall and French doors to the garden and is a useful addition to the ground floor accommodation. To the first floor are the three bedrooms, two double, the main of which is situated to the front, a single and the bathroom in between with a fitted modern white suite and window to the side. The property is double glazed throughout and warmed by electric heating. Externally there are well maintained bushes and shrubs which also extends partly to the side. It is enclosed by a mixture of wall and fencing with a gate which leads to the single garage with up and over door. This property is located in a quiet cul-de-sac ideal for young families as there is no through traffic to the front and a green for children to play on. Details of the planning can be found on the council planning website, ref no PL/2022/07633 and this expires in June 2025.
