We are delighted to offer for sale this beautifully presented 4 Bedroom Detached Family Home that was built in 2014 in the popular village location of Neston on the outskirts of Corsham within this warm and welcoming community. The property has one of the largest gardens with a lovely outlook to the rear on this small development. The accommodation to the ground floor includes an entrance hall with doors leading to the living room located to the front of the house with the added benefit of a wood burning stove having been fitted plus a large fully fitted kitchen/breakfast room with integrated appliances running the full width of the house. From here you have doors leading to the separate utility room and cloakroom along with a pedestrian door into the garage with both power and light and subject to building regulations could be changed very easily into another reception room or home office if a garage is not required. On the first floor, you have four good-sized double bedrooms with the master having an en-suite shower room along with the family bathroom. Externally as mentioned there is a lovely landscaped garden with both a large patio section to the lower level and a raised seating area to the rear with a variety of flowers, shrubs, and mature trees beyond. To the front, you have parking for two cars and access to the garage. Further benefits to the property include double glazing and gas central heating along with the near proximity to highly desirable Neston Primary School. Along with this being only twenty minutes drive to Bath along the A4 we feel this represents an ideal family home, which an internal inspection would be advised.
