🏠 EPC Rating D

Situated in a quiet location and having been owned by the same family for many years, we are pleased to bring to the market this mature 3 bedroom end terrace house. With beautiful country walks very nearby, good bus links, and a short drive from Corsham. The living accommodation comprises a small entrance porch that leads into the living/dining room with a newly installed wood burning stove and a door into the kitchen breakfast room. On the first floor are two double and one single bedrooms along with the family bathroom. Externally the property has an open plan front garden laid to lawn, along with a west-facing rear garden laid mainly to lawn with a paved patio immediately to the rear. There is a path leading to the rear gate with a single garage. The property is in need of updating throughout, however all the windows and doors were recently replaced with new uPVC double glazing. The property is warmed by electric heating. Our thoughts are it could easily be made into either a cozy first-time purchase or an ideal buy-to-let investment. The property is brought to the market with No Onward Chain
