As soon as you drive into the development, you are struck by just how well-looked-after the properties are, and how much pride the owners have in both their homes and gardens. The house is located with a good size front garden, having well-tended gardens and lawns with a pathway leading to the front door along with a double-width driveway giving ample parking. The property itself boasts well-proportioned accommodation throughout includes to the ground floor an entrance hallway, cloakroom, dual aspect living room with windows to the front and fully glazed french doors to the rear garden, a separate dining room, a fitted kitchen with built in appliances and separate utility room to complement the ground floor accommodation. On the first floor, there are 4 bedrooms with the master bedroom having an en-suite with fitted wardrobes to the guest bedroom plus one further double and one single bedroom, along with the family bathroom.
