🏠 EPC Rating E

Located on the rural edge of this popular village, this detached chalet bungalow sits in a beautifully maintained plot with off road parking and a large single garage. The ground floor comprises an entrance hallway with a spacious sitting/dining room, a kitchen/breakfast room, the main bedroom with a re-fitted en-suite, and the second bedroom with an adjacent shower room. A side lobby leads to the utility room and provides access to the garage. On the first floor there is a third double bedroom with sloping ceilings, built-in wardrobes and two roof lights. Beyond is a useful storage cupboard. On the opposite side of the landing is a bathroom. Externally the property is enclosed from the front by a Cotswold stone wall and wraps around to the rear garden. Gated pedestrian access, and vehicle access over a cattle grid, lead to a block paved driveway which provides parking for several cars and leads to the garage. The rear garden enjoys a southernly aspect with a variety of well stocked borders, a lawn and a paved patio seating area.

Situation

The property stands in a delightful position on the rural edge of the village with west facing views from the rear over farmland, yet the centre of the village is just a short walk away. Hullavington has a thriving community and a good number of amenities including a post office/general store/garage, coffee shop, primary school and church. More comprehensive amenities can be found in the towns of Chippenham (7 miles) to the south or Malmesbury (5 miles) to the north. Fast trains operate from Chippenham to London Paddington in approximately one and a quarter hours, whilst good road links provide fast access to Swindon, Bath and Bristol. There is convenient access to the M4 motorway junction 17 being within 3 miles to the south.
