SALES ASSIST - PART EXCHANGE & CUTAINS/BLINDS

The developer is offering a sales assist package where you can sell your own home for free. Terms and conditions apply and your property must be situated within the Chesterfield district and be valued by Wilkins Vardy.

Part exchange will also be considered on this plot for an asking price offer. If you are considering part exchange, your property must lie within a 20 mile radius of Chesterfield and be valued by Wilkins Vardy at no more than 70% of the value of this new build. The developer reserves the right to refuse a part exchange offer or sales assist if your property is not deemed suitable or an agreement cannot be reached on its value.

Part exchange means the developer will take your property as part payment for the new build, meaning you will not have to pay estate agency fees or rely on a chain of buyers to complete at the same time as your purchase.

Curtains and blind packages are available. Again terms and conditions apply and the options available will be dependant on the time of reservation. Details of the options are available by talking to the sales team on site.
