VICTORIAN PROPERTY WITH HUGE POTENTIAL - SUPER CONVENIENT LOCATION - DELIGHTFUL GARDEN

Nestled on Nelson Street, this Victorian terraced house is a true gem waiting to be polished. Dating back to 1900, this property exudes character and charm, offering 2 reception rooms, 2 bedrooms, and 1 bathroom across its 823 sq ft. The allure of this house lies not only in its age but also in the vast potential it holds. Calling all investors with a keen eye for refurbishment, this Victorian family home is a canvas waiting for your creative touch.

One of the standout features of this property is the fantastic rear garden, providing a tranquil retreat right in your own backyard. Convenience is also key, and this house delivers just that. Situated just a stone's throw away from Sheffield Road, this location is ideal for commuters and offers easy access to amenities, schools, and transport links into the town centre or towards Sheffield. In conclusion, this Victorian terraced house on Nelson Street is more than just a property - it's a project brimming with potential.

#### VIEWINGS

All viewings are to be arranged through the agent.

The Consumer Protection (Amendment) Regulations 2014

Only items referred to in these particulars are included in the sale.

The property was unoccupied at the time it was inspected and we have therefore been unable to verify with the previous occupant that the central heating system, gas fires, shower unit, plumbing installations and electric system are in working order. No tests or checks have been carried out by ourselves and no warranty can therefore be given.

We are also unable to confirm whether any extensions, alterations or window replacements since 2002 have received the necessary Planning Consent and Building Regulations Approval.

Prospective purchasers are advised to make their own inquiries and investigations before finalising their offer to purchase.

#### SCHOOL CATCHMENT AREAS

Whilst the property is understood to be in the Whittington Green School Catchment area, this is NOT a guarantee of admission and the prospective purchaser MUST make direct enquiries to Derbyshire County Council to ascertain the availability of places and ensure satisfaction of their entry criteria.

Validation Of Offers: In order to comply with our statutory obligations and The Ombudsman for Estate Agents Code of Practice, we are required to validate the financial circumstances of any offers made in respect of this property. This will usually entail anyone making an offer being interviewed by our Financial Consultant.

#### Energy Efficiency Rating

|   | Current                 | Potential |
|---|-------------------------|-----------|
| Very energy efficient - lower running costs |                         |           |
| (92 plus) A                                 |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         | 76        |
| (55-68) D                                   | 54                      |           |
| (39-54) E                                   |                         |           |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
| <b>England &amp; Wales</b>                  | EU Directive 2002/91/EC |           |

#### Environmental Impact (CO<sub>2</sub>) Rating

|   | Current                 | Potential |
|---|-------------------------|-----------|
| Very environmentally friendly - lower CO <sub>2</sub> emissions |                         |           |
| (92 plus) A   |                         |           |
| (81-91) B   |                         |           |
| (69-80) C   |                         |           |
| (55-68) D   |                         |           |
| (39-54) E   |                         |           |
| (21-38) F   |                         |           |
| (1-20) G  |                         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |                         |           |
| <b>England &amp; Wales</b>                                      | EU Directive 2002/91/EC |           |
