Arncliffe Homes Part Exchange Promise

Plan your move with certainty by taking advantage of The Arncliffe Part Exchange Scheme! Avoid the hassle of finding a buyer for your house, the inconvenience of showing people around, dealing with time-wasters and waiting for property chains to complete. You will also have no estate agency fees to pay. We will arrange to have your house professionally valued and make you a firm part exchange offer based on that valuation. As an added bonus, if we are able to re-sell your house for more than our part exchange offer, we promise to pay you 50% of the excess! What could be fairer than that?

If part exchange isn't appropriate, there is also a sales assistance package on selected plots which can be discussed on an individual basis.
